Squash -- one of the most dynamic and fastest growing sports -- is exploding at the junior level. The Ivy League and other top colleges place a strong emphasis on their squash programs and often give consideration to applicants who play squash. Named by *Forbes* magazine as the top ranked healthiest sport, squash is a great cardio workout that also provides ideal training for other sports. A lifetime sport, squash is a fun activity the whole family can participate in. A junior squash program run by the state's highest ranked Coach will be held at Charlotte Squash Club for CPS students.
